# Coaching for Headteachers

This new programme has been created to meet the unique development needs of Headteachers as leaders of their own organisation but potentially also as peer coaches.

## Will consider the role of Headteacher as:

- ✿ A coach
- ✿ Lead of a 'coaching' school
- ✿ A coach for peers – creating a network to support and develop Headteacher colleagues
- ✿ A system leader

## This programme will consider the concepts of:

- ✿ Talent spotting and developing coaches for improvement among your staff
- ✿ Coaching as a means of building leadership capacity and distributed leadership
- ✿ Coaching to support a school partnership/MAT
- ✿ Creating a coaching culture
- ✿ Coaching as mechanism for managing change and difficult conversations

## Structure

3 x afternoon sessions. Lunch at 12.30pm - Session begins 1pm - 3.30pm.
