TRANSFORM
Teaching School Alliance
'Together we Achieve'

Year Six NETWORK

The Year 6 Network has become an essential fixture on the calendar, providing wide ranging peer support in the lead up to SATs and for the transition to secondary.

Led by experienced practitioners, the network aims to disseminate ideas to support children's learning and school KS2 performance.

This year we are introducing 2 sessions for Year 6 TAs.

Focus (see overleaf for session details):

- Innovative pedagogy ideas to inspire and engage pupils
- Effective teaching and timetabling of Reading, Writing and Maths to utilise teaching time
- Updates from DfE and SATs testing agencies
- Networking opportunities with resources and ideas shared from within the group
- Moderation and assessment opportunities

Sessions run once every half term from 1.30pm -3.30pm and will be facilitated by Amy Turner, with planned dates for both Nottingham and Derby, the full programme is outlined overleaf. The latest research and most up to date quality resources will be discussed and shared for taking away and utilising in school.

This network has proved to be an invaluable resource for Year 6 teachers, who consistently praise the quality of the resources, professionalism of facilitators and the power of peer collaboration:

"This is the most valuable professional development that I have had all year - it's bespoke to the individualised needs of the Y6 children and staff and I always come away with quality resources to use in my classroom the next day."

"I rely on this network to keep me fully abreast of the national updates and what this means for me as a Year 6 teacher. It always provides practical ideas that I know that I know will work."

"I look forward to these sessions to gain new and innovative ways to make the Year 6 curriculum exciting and fresh. There's a real comraderie in the group and a feeling that we're all in this together!"

To book/costings:

For further information and to book a place please contact Jayne Limb: jayne.limb@transformtrust.co.uk
Cost of this network: Free to all TSA members
