- Get an insight into the work and responsibilities of School Governors and why it is such a rewarding role.

Q&A Sessions

Developed to give you a more detailed insight into the opportunities available at Transform and what you can expect from our comprehensive programme of professional development. New for this year are our one to one career conversations to help you focus on your personal career aspirations and how you can make positive changes in your career:

Q&A Sessions					
New career? Train to teach.	NQTs Finding the right fit for you	The Transform Talent Pool	Sporting & Community Opportunities	One to one Career Conversations	Opportunities for Support Staff
<p>Get an insight into Transform School Direct Initial Teacher Training and what makes it such a special programme.</p> <p>If you are at a turning point in your career and are considering training to teach you will be able to get advice on the application process, funding your studies and how to gain relevant classroom experience to support your application.</p>	<p>We know that one size does not fit all and one school is not always the right fit for all NQTs. This session helps you think about your skills and interests and how these can be best utilised in the right school. Help and advice will be available to inform your choice of school and how best to sell your skills and experience on a job application.</p> <p>You will also be able to see how, as a Transform NQT, you would be part of a network of over 50 NQTs who have access to a high-quality CPD programme running throughout the year.</p>	<p>What is different about working in a Transform School?</p> <p>This session will provide an overview of the extensive range of opportunities for staff in Transform schools to develop both personally and professionally.</p> <p>Transform is committed to the wellbeing of all of its staff and has a dedicated wellbeing lead who will be available to answer any questions on the day.</p>	<p>Our enrichment activities cover a range of programmes from sports events and community volunteering for all to leadership and coaching development for pupils. These activities build confidence and self-belief for everyone involved and impact directly on attainment and aspirations not only for our pupils, but for all of the staff involved too.</p> <p>We will have information available for potential sponsors of all of our enrichment and recognition programmes that adds tremendous value for our schools, pupils and families.</p>	<p>You might be at the start of your career today, you may have been teaching for a while or you may be at a turning point in another career. Spend some time with our skilled and experienced facilitators to consider your next steps and begin to plan your career.</p> <p>We will be available to have a focussed and productive discussion with you.</p>	<p>Are you making the most of the opportunities available to you?</p> <p>Come and meet Trish Wilson our Lead Associate for Support staff. She will be sharing her own journey from working as an HLTA to leading and developing professional networks for TAs across the Trust.</p> <p>Trish will also be available to answer any questions you might have about your own development and career aspirations.</p>
