

**Corinne Finch, Teacher  
Burford Primary School**

- EYFS Leader
- Outstanding Teacher Programme participant
- Coach

"As a teacher I am continually looking for ways to improve my practice and keep up to date with changes and new ideas. Working closely with other colleges and schools has developed my own practice and I would like to develop and motivate others in the same way."

Corinne is Foundation Stage Leader at Burford Primary School. She has 6 years of experience within the EYFS in Nottingham city schools. During her time at Burford she has worked as part of the senior leadership team on their journey from requires improvement to good.

She has experience of coaching leaders, and class teachers in her own and other schools facing their own challenges. Corinne is dedicated to raising standards in the EYFS and is keen to share her experiences with others through modelling good practice, using data and pupil progress to improve provision in all areas.

Corinne recently took part in the Outstanding Teacher Programme and used this to help raise standards in teaching and pupil progress within her own school and is currently working closely to improve standards in another school.

Corinne is able to provide tailored, specialist support within the EYFS to raise standards and motivate staff to get the best from themselves and the children.
